Oh! I almost forget to turn it on!

I almost lost my bag coming to the lab!

That's ok Sunny, everybody gets lost on their first week.

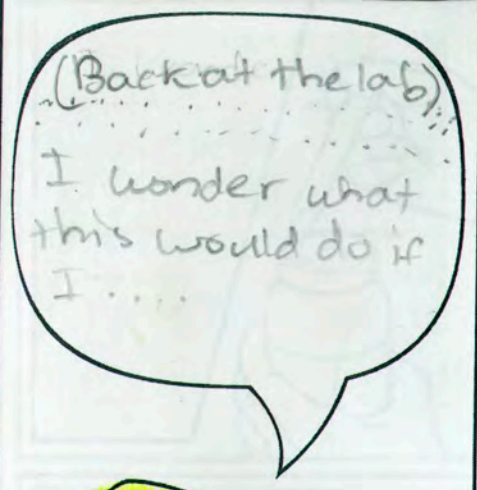

Luckily it only takes an hour to get to the ocean!

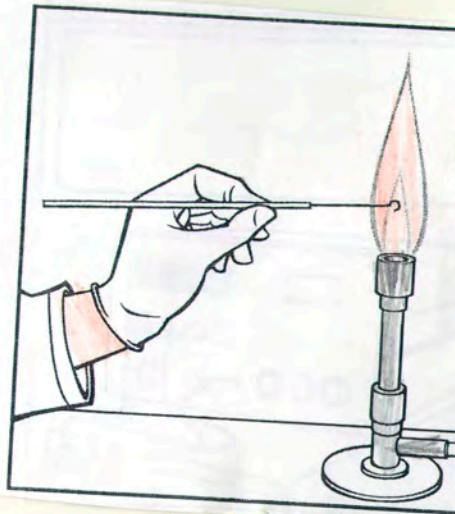

Wow, I've never been in the ocean before!

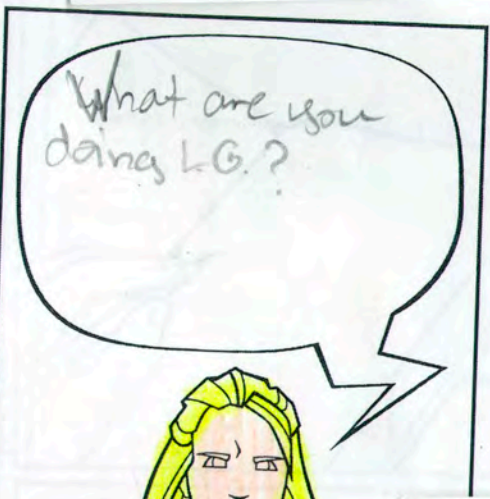

Don't touch that it's poisonous

(Back at the lab)
I wonder what this would do if I....

This is cool, as long as I don't cause a fire!

What are you doing L.G.?

L.G.

You evil girl, don't touch that!!!

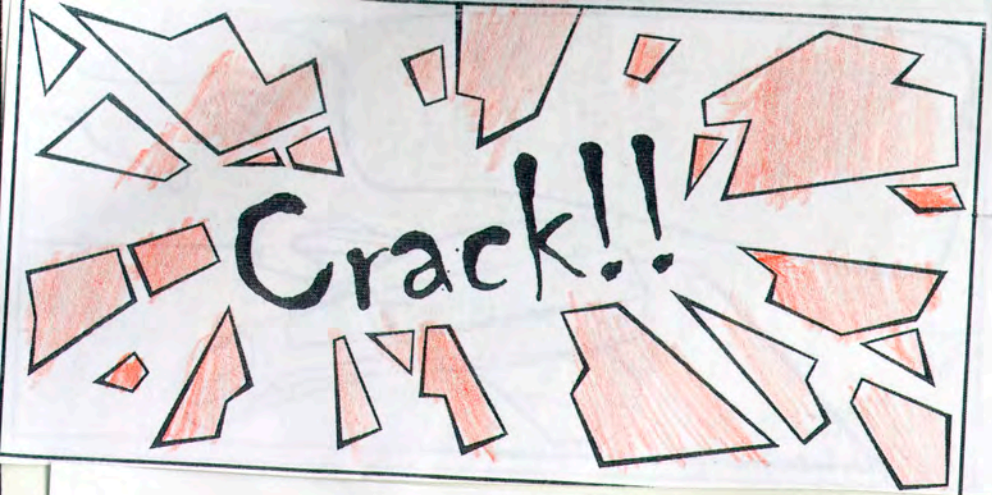

A.L.

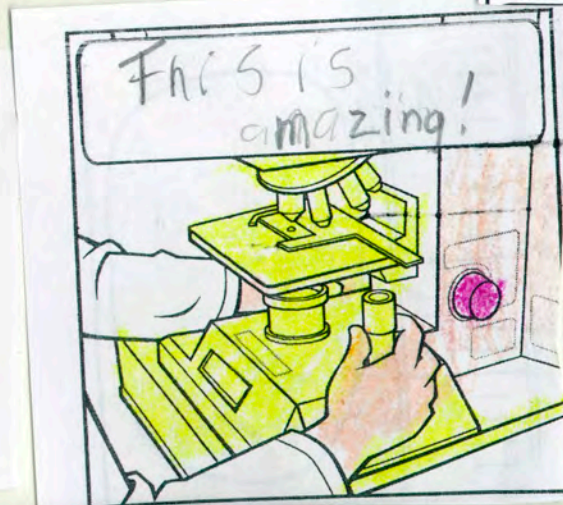

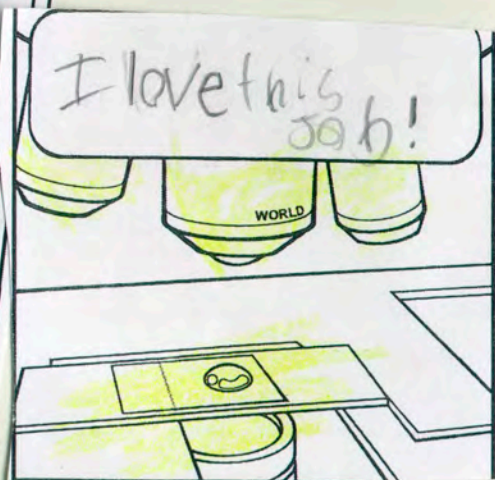

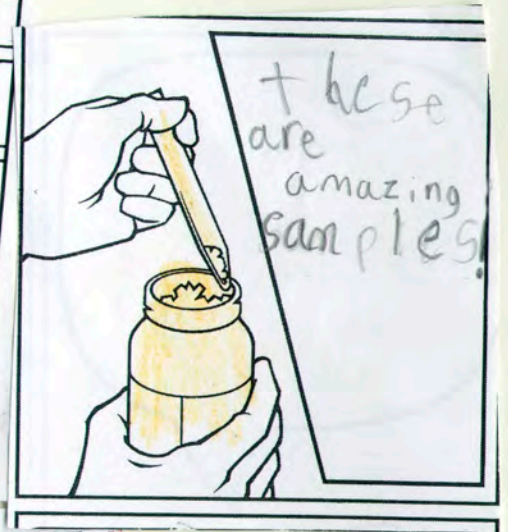

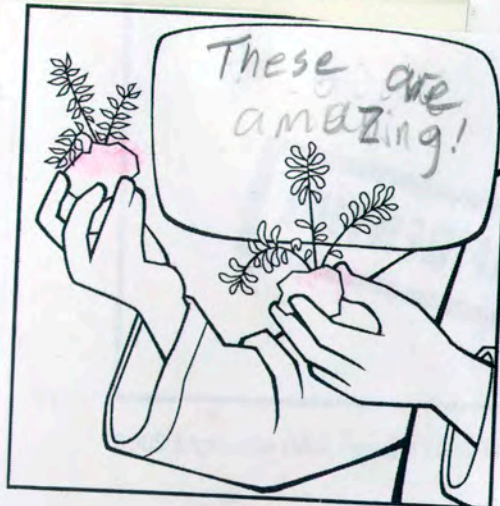

Steady steady, done!
